

2nd Grade Behavior Plan

I am delighted to have your child in my classroom this year! I have developed a classroom discipline plan that encourages every student to make good decisions about his or her behavior, which allows for the opportunity to learn in a positive, nurturing classroom environment.

Your child deserves the most positive educational climate possible for his or her growth, and I know that together we will make a difference in this process. Imbedded throughout the classroom are positive rewards for appropriate behavior and consequences for inappropriate behavior.

In our classroom, I encourage RESPECT and RESPONSIBILITY. Please reinforce these classroom values at home.

Our classroom rules are designed to ensure the safety and well-being of all students. Students will be given 2 "Manners Tickets" each morning. Throughout the day, there will be opportunities to earn additional tickets. Upon following the classroom and school guidelines, he/she will keep the tickets. Failure to do as expected, however, will result in the loss of tickets. Students will have the opportunity to earn tickets from other teachers and staff members as well! At the end of each day, students will put their names on their tickets and place them in a bucket for a drawing, in which he/she may earn a special treat, prize, and even extra recess with Mr. Asher!

When you check and sign your child's agenda each day, please note the number written on the current date. This number indicates how many "Manners Tickets" your child has at the end of each day, letting you know how your child's day at school was.

Please sign and date below indicating that you understand the procedures of our classroom and the communication (via agenda) of your child's daily behavior.
